General Meet Information

Dear Coach:

We would like to take this opportunity to invite you to the **33rd Annual Coach Downey XC Classic**. Jerry Downey was the longtime cross country/track & field coach at St. Augustine HS and the founder of the original event. It is our hope to continue the tradition of leadership and excellence in our sport that Coach Downey exemplified throughout his career. The past few editions of the meet has seen the event host nearly 40 teams and 1,200 runners. We hope you can also join us for one of the finest meets in San Diego!

The meet features community college and high school sections throughout the day. The high school meet is primarily reserved for schools in CIF divisions 4 and 5 (1500 or fewer student population). However, invitations are made to schools outside these divisions at the discretion of meet management. The loops course is primarily grass with some sections of dirt and sidewalk. It features an undulating terrain that makes for a fair and fun cross country course. The course also covers significant sections of the CIF San Diego Section course.

Meet specifics are detailed below. If you have questions please contact meet director, Marco Anzures. If you are interested in attending this year's meet please accept the meet invitation on Athletic.net (for high schools) or email Marco Anzures (for colleges). All meet information can be found on www.downeyclassic.com. We look forward to seeing you at this year's event!

Sincerely,

Marco Anzures
